

ARCHILECTURE PRESENTS

# ANDREAS LICHTBLAU

Discussant: Roberto Rizzi and Stefania Sabatinelli (DASStU)

## Affordable Housing: Housing into question

The lecture is part of the cycle of 9 seminars "Affordable Housing: from Vienna to Milan" on the frontiers of Viennese social housing.

9 Austrian designers are invited to present newly built housing projects in Vienna and to discuss the way in which affordability and architectural quality are combined, highlighting design themes and issues, dimensions of innovation and criticality.
