ROZANA MONTIEL

Room 2.0.2, Piazza Leonardo da Vinci, 32
Building 2, ground floor
Politecnico di Milano
Milano - Italia

The designer and activationist Rozana Montiel presents and discusses some important projects carried out in Mexico City, focused on listening to the local community and designing public spaces with a high social and civic value, at the opening of the workshop "Milano-Mexico city. Beyond the edges!" that will take place in Quarto Oggiaro.

The initiative is promoted by Paola Savoldi and Franco Tagliabue, DASTU, Politecnico di Milano
